

The Pedors SUPER MAX 5-XW (10E) + Pedors Classic MAX (2E) (4E) (6E) Special Offer!

The Pedors **SUPER MAX** are available in a **10E width**.

Just like the **Classic MAX** available in **2E, 4E and 6E** widths which have been designed to accommodate feet at various degrees of swelling the SUPER MAX are for those with severely swollen feet.

Super The Super MAX in a 10E width are specifically designed for severe lymphedema and to accommodate compression wraps and bandages inside the shoe.
